

Sports Presentation 2009 was another great night full of celebration for the outstanding achievement in sport over the 2008-09 season. Over 150 pupils attended to the evening, with a hall full of pupils, families, staff and governors. Our special guest, Leon Taylor, Silver Olympic Medal Winner in Athens 2004, gave an exceptional speech and presentation filling the hall with laughter on a number of occasions.

Huge congratulations to the award winners:
